**DEFENDANT ORR’S MOTION TO EXTEND
ADMINISTRATIVE CLOSING PERIOD**

COMES NOW Defendant Brian Orr and submits the following Motion to Extend the Administrative Closing Period. In support thereof, Defendant would show the Court as follows:

1. On December 21, 2021, this Court entered an Administrative Closing Order at the request of the parties. [Doc. 154]. That Order expired on January 20, 2022, which was the same date plaintiff sought to extend the administrative closing order by ten (10) days. (Doc. No. 156).

2. The original basis of the extension related to receipt of settlement proceeds.

The written settlement agreement had been completed but plaintiff had not received proceeds.

3. As an update, Plaintiff has received all but one check in relation to the settlement proceeds. The delay, to the best of counsel's knowledge, relates to an internal issue of the state treasurer's office which is currently being resolved. Representations have been made to counsel that the check will be presented by tomorrow morning on or around noon. Defendant Orr requests that the Court extend the Administrative Closing Order by a period of four (4) days to allow that final issue to be resolved and the last outstanding check to be issued. As with the previous motion, the written settlement agreement is complete. The parties are now only waiting on delivery of one outstanding check.

4. Defendant Orr therefore respectfully requests that the Court enter an Order extending the period of administrative closure by four (4) days, or until friday, February 4, 2022.

Dated: January 31, 2022

Respectfully submitted,
